Langers Entertained

F. Langer and wife and their son Ludy, of Los Angeles, were guests Friday of Miss Mary Carr Merritt, 210 South Louise. Ludy returned just a week before from Antwerp, Belgium, where he had been participating as a member of the Honolulu team in the Olympic games. He is a crack swimmer and won several events, among them the 440 and 880 yard dashes. In common with all the winners, he was decorated by King Albert. Ludy is an alumnus of U. C., Berkeley, having graduated in 1916. He is now in the hardware business in Honolulu. The entire Honolulu team has accepted an invitation to tour Australia this winter and will leave for that country about December 1. The members are all in California now, but will start for home next week Wednesday.

Miss Shropshire Writes

Miss Birdie Shropshire, who is working for the Pacific Mutual Co. in Cincinnati, Ohio, wrote her mother and sister here recently that she had been for a visit to A. M. Feland and wife of London, Ky., which is not far from Cincinnati. Mrs. Feland was formerly Miss Elizabeth Jackson, a very popular school teacher in Glendale, daughter of Mr. and Mrs. John H. Jackson, 332 North Orange. She and her husband went up to Cincinnati with the new babe they are so proud of, and took Miss Birdie for a visit to their lovely farm home near London for a few days' visit.

Brotherhood Banquet

The annual banquet of the Federated Brotherhood of the Glendale churches, to be held tomorrow evening in the M. E. church basement is the one meeting when the ladies are invited. This is to be not only a banquet but a meeting to further consider how to exemplify the Brotherhood's motto, "A clean city kept clean." "Fighting Bob" Shuler, the whirlwind preacher of Trinity M. E. church, will be the principal speaker and all are eager to hear him. An attendance of several hundred is looked for.

HARRY C. WOOLSEY

SUDDEN DEATH OF FORMER GLENDALE MAN IN LOS ANGELES

Harry C. Woolsey, for eight years a resident of Glendale, died suddenly at the home of his cousin, 1058 S. Manhattan Place, Los Angeles, where he and Mrs. Woolsey were staying temporarily, shortly after 5 o'clock Saturday morning, October 23. Mr. Woolsey had been suffering with diabetes for several years but was apparently not seriously ill. He was in his usual health when he retired Friday night. He became very ill shortly after midnight. A physician was at his bedside within a few minutes but he lived but a few hours after being stricken.

Mr. Woolsey was born in England December 25, 1853. He came to this country when a small child and located at Rockford, Ill., where he spent the greater part of his business life. He was a telegraph operator and station agent in the employ of the Chicago & Northwestern for many years. After severing his connection with the railroad he engaged in the florist business until he moved to Glendale about eight years ago.

His fraternal affiliations were with Rockford Lodge No. 102, A. F. and A. M., Unity Chapter, R. A. M. of Glendale, Glen Eyrie Eastern Star of Glendale and the White Shrine of Pasadena. He was secretary of Unity Chapter for a number of years.

On coming to Glendale Mr. and Mrs. Woolsey built a home on Riverdale Drive and on disposing of this they lived for a time in their home at 324 Milford. For the last few months they had been residing temporarily in Pasadena until they went to take charge of the home of a cousin when she was called east.

The deceased leaves a wife, one son and one daughter, Lieut. Ralph H. Woolsey of the U. S. Army now stationed at Omaha and Mrs. Ella Hixson of Los Angeles.

W. M. Kimball of this city, who was associated with Mr. Woolsey in business in Rockford and has been a close friend of the deceased for the past forty years paid a warm tribute to the memory of his friend, when he said: "Nothing too good can be said of Harry Woolsey. Funeral services will be held Tuesday afternoon at 3 o'clock at the Jewel City Undertaking Parlors and will be in charge of the Masons. Friends are invited.

Death of Mrs. Hall

Mrs. Gussie Wilkerson Hall passed away Sunday evening, October 24th, at 5:30, at the home of her sister, Mrs. Albert C. Read, 360 West Broadway, after an illness of several years. Mrs. Hall's former home was in Liberty, Mo., but she had made her home with the family of her sister here for about six years.

Besides Mrs. Read the deceased is mourned by two other sisters, Mrs. T. O. Howland and Mrs. Virgil Carthenhour of Little Rock, Ark., and two brothers, Albert Wilkerson of Seattle and W. Barlow Wilkerson of Liberty, Mo.

Funeral services will be held Tuesday afternoon at one o'clock at the Little Church of the Flowers in Forest Lawn, the Scovern Co. in charge.

THE CHURCH

ITS PLACE, VALUE AND SIGNIFICANCE, SERMON BY REV. W. E. EDMONDS

Following is a review of the sermon of Rev. W. E. Edmonds at the Presbyterian church yesterday morning:

"For Zion's sake I will not hold my peace." Is. 62:1. Of course the prophet is here speaking of the church and naturally is led to speak of Christ. With prophetic eye he describes the Messiah who was to come to purify and sanctify the church, shedding His own blood; he sees the on-coming victories of the church. Through all the years the church has borne harsh criticism. Those presuming to speak have not always been wise; and those claiming membership are not always its true friends. Our blessed Lord, though recognizing the imperfections it would have, purposed to purify and make it without spot or wrinkle. We have no right to criticize it unless also we are willing to help right every wrong. But the church is a divine institution: God set it in order. It exists by His appointment, is kept by His Providence, and guided by His spirit. Merely human organizations are mutual benefit societies. The church was formed by the Spirit (Continued on Page 3)

TERANCE MAC SWINEY'S LONG FAST ENDS ON THE JOB AGAIN

LORD MAYOR OF DUBLIN DIES EARLY TODAY AFTER FASTING SEVENTY-THREE DAYS

(Special Service to Glendale Evening News)

LONDON, Oct. 25.—Terence MacSwiney died in Brixton prison at 5:40 this morning at dawn of the 74th day of his hunger strike. He failed to regain consciousness after he began sinking at midnight.

Father Dominic, his religious advisor, and his brother John were at the bedside when he died.

After being in comparative comfort for nearly seventy days, MacSwiney was fed whenever he lost consciousness during the last four days, although physicians had little hope for his recovery. The last days were painful and harrowing.

Mrs. MacSwiney collapsed when informed of his death and is being cared for at the home of friends.

A formal inquest was expected today with several physicians testifying.

Lord Mayor MacSwiney was convicted August 16 of having in his possession seditious literature. He began his hunger strike on August 12, immediately after his arrest.

The British government remained adamant throughout his strike despite numberless pleas for his release made to King George, Queen Mary, and Premier Lloyd George.

A vote of confidence in the government stand by the House of Commons early during the strike showed Irish republicans that MacSwiney's stand would gain nothing by way of a change in the Irish policy.

DUBLIN, Oct. 25.—Police today raided the 'Mansion House, the residence of the Lord Mayor of Dublin.

GOVERNOR COX IN WEST VIRGINIA

(Special Service to Glendale Evening News)

WHEELING, W. Va., Oct. 25.—Governor Cox was today invading West Virginia for the second time in waging his final fight for the presidency. West Virginia, Ohio, Indiana and Illinois will be the scene of his final speeches. The Democratic candidate will make his final windup in Ohio, headquarters having admitted that failure to carry Indiana and Ohio would mean sure defeat. Cox was optimistic over the results of his last eastern trip. "The tide toward the League of Nations came with leaps and bounds during the past week," he said.

FINAL WEEK OF CAMPAIGN

(Special Service to Glendale Evening News)

MARION, Oct. 25.—The final week of the campaign opens today with opposing party lines drawn for a finish fight in Ohio, with Republicans prepared to flood the state with nationally prominent speakers, including Senator Johnson, Governor Lowden, Medill McCormick, former Senator Theodore Burton, Raymond Robins, former Governor Willis of Ohio, and Governor Harding of Iowa. Senator Harding will give addresses throughout Ohio during the week.

MINERS MAY GET WAGE INCREASE

(Special Service to Glendale Evening News)

LONDON, Oct. 25.—Great Britain today shook off the strike nightmare with every indication that coal miners and government officials would reach an agreement soon that will give miners the wage increase demanded and insure increased coal output in return. Miners' representatives were today still in conference at Lloyd George's residence in Downing Street.

DENY APPLICATION FOR INCREASED RATES

(Special Service to Glendale Evening News)

PHOENIX, Oct. 25.—The Arizona Corporation Commission today denied an application by railroads for an increase in freight and passenger rates within the state. The reason given was that the railroads failed to show necessity for the proposed increase. The increase asked was similar to that recently granted interstate railroads by the Interstate Commerce Commission.

AMERICAN MURDERED IN SONORA

(Special Service to Glendale Evening News)

WASHINGTON, Oct. 25.—The State Department today announced receipt of advice from Nogales, Sonora, reporting the murder of M. Sevrey, an American, at Cananeo, Sonora. Secretary of State Colby wired the American Counsel at Nogales to take all possible measures to apprehend the murderer, said to be a Mexican.

DEMPSEY-CARPENTIER FIGHT

NEW YORK, Oct. 25.—Jack Kearns, Dempsey's manager, today declared negotiations had been practically completed for the Dempsey-Carpentier fight, although neither the date nor the site for the proposed fight had been selected.

MC LAREN HOME

IS ENJOYING REST FROM STRENUOUS CAMPAIGN AFTER "BIG HUTCH"

Joseph P. Conklin, one of the ex-service boys at Thornycroft, was formerly a newspaper man in the East, working as reporter on several large papers at different times. He was gassed and shell shocked while fighting the Huns and has suffered untold agonies but is light-hearted and cheerful through it all. He likes to work at his old vocation occasionally. He brought to the Evening News the following items today:

A very delightful entertainment and reception was given to the ex-service men at Thornycroft Sanatorium Saturday evening, by the social service committee of the Girls' League of the South Pasadena High School. Vocal and instrumental selections were rendered by the visitors, after which refreshments were served. Among the visiting entertainers were Misses Genevieve Sweetser, Martha Williams, Mary McEnery, Helen Annabier, Myrtle Farrad, Marjorie Kipp, Hester Lauman, Frances Kinney and Esther Hatch, also Harold Gertmear, all of South Pasadena, and Miss Letha Winget, of Alhambra.

A very pleasant afternoon automobile ride, which culminated with supper and evening's entertainment was given Sunday, to a party of six ex-service men now staying at Thornycroft Sanatorium at Glendale, by Mr. and Mrs. G. W. Rowe, at their residence at 216 South Orange street. Of Miss Nellie Rowe, daughter of the host and hostess, as well as Will Slater, pianist, and Miss Dorothy Howard, vocalist, the "boys" are enthusiastic in their praises.

Help With Directory

With four enumerators securing the names of Glendale residents for the new city directory the work is proceeding very satisfactorily. One drawback is that quite a number of people are found absent each day, some of these being employed and hence only home at night. Some of these have very kindly sent the names of members of their families to the Evening News office and we hope others will do so. It will save us time and make it certain that your name will appear in the directory. So if you find that an enumerator has been on your street when you were away from home either call at the Evening News office and give in the names of all the people living in your home, phone this information in or mail it to us.

Returns From Visit

Miss E. A. Bingham, formerly of this city who has been living in Orange for some two years, returned Thursday from a month's visit with her sister, Mrs. R. G. Payne of Bakersfield, and has taken rooms at 104 North Everett.

MUSICAL TREAT

CHORAL CLUB OF SEVENTH-DAY ADVENTIST CHURCH ENTERTAINED AT HARROWER HOME

A musical treat was given the active and honorary members of the Choral club of the Seventh-day Adventist church, at the home of Dr. and Mrs. H. R. Harrower, 345 North Cedar street, Saturday night. Nearly fifty were present to enjoy the hospitality and entertainment afforded by the genial host and hostess.

The first part of the evening was devoted to society business matters, reading of reports and discussions relating thereto. Then the program for the evening was given, the president of the club, Mrs. C. A. Brandstater, presiding in her usual vivacious manner. Mrs. C. E. Swartsfager rendered Mendelssohn's Spring Song on the piano, followed by a short sketch of the author's life which was contributed by Miss Hazel Carr. After this there were several brief but pointed readings given of various topics relating to choir work, those taking part being I. A. Ford, Mrs. C. H. Jones and Mrs. E. M. Stanley. The player piano was called upon to accompany the voice of its owner, Dr. Harrower rendering a selection from The Messiah, followed by others on encore. Another member of the family, the phonograph which was discovered cleverly hidden in the drawer of an unusually good-looking center table, furnished reproductions from the pipe organ. The guests of honor, Ewert D. Wil (Continued on Page 3)

American Legion Dance

The Halloween dance given by American Legion Post No. 127 in the I. O. O. F. Hall, 111 East Broadway, Saturday evening, was voted a huge success by all who attended. The hall was beautifully and appropriately decorated with cut-outs of cats, witches, etc., pumpkins and black and yellow streamers. Harold Phillips and George Hastings were in charge of the decorations. Splendid dance music was furnished by members of the Legion. Punch and home-made cake, furnished by ladies of the Auxiliary, were served throughout the evening. Between one hundred and one hundred and fifty were present.

Farewell Party

Miss Iris Nofziger, 1280 Mariposa street, was given a farewell party Saturday evening by her classmates at the home of Miss Ethel Burke, 1242 South Maryland avenue. Miss Nofziger and her parents are moving to Arizona November 1st. She will be greatly missed by her friends of the Sophomore class, of which she is a member. The guests were in Halloween costume, and games were enjoyed. Those present were Susie Kohl, Mida Butler, Gladys Martin, Virginia Brecht, Alice Woodberry, Virginia Wheeler, Dorothy Van Osdoll, Dorothy Black, Iris Nofziger, and Ethel Burke.

Death of Mrs. Morey

Mrs. Malissa V. Morey passed away at the home of her niece, Mrs. John O. Corliss, 331 North Isabel St., October 24, 1920, at about 3 p. m. The deceased was born in Pennsylvania but had lived in California for 33 years.

Funeral services will be held at the Little Church of the Flowers, Forest Lawn Cemetery, Wednesday, October 27, at 2 p. m., Elder Stevens officiating. The L. G. Scovern Company are directors.

MANY OFFENDERS

JUDGE LOWE REPORTS LARGE NUMBER OF CASES OF TRAFFIC LAW VIOLATION

Judge Lowe was in rather a gloomy frame of mind when found at his desk this morning. He had just received \$15 as a fine assessed against a Los Angeles man for speeding his auto at 46 miles an hour on Verdugo Road and there were 21 more complaints lying before him, all set for today and all for autoists or motorcyclists speeding from 34 to 45 miles an hour, with quite a bunch set for later dates. "What can be done to check this speed mania?" said the judge.

About the same number appear every week and pay their fines, yet there is no let-up. While it is the custom of most judges to give jail sentences for speeders exceeding 50 miles an hour, a fine, only, is the rule for a less speed than that and it does not seem to deter others from taking the chance. And it seems that this "taking a chance" appeals to many drivers. The appalling number of auto accidents resulting from this speed craze is alarming the authorities all over the state, especially in large cities, but no effective remedy seems yet to have been devised.

Tree Planting

The Government is making an earnest effort to induce many of the states to plant trees on a wholesale scale and in some measure restore their original wealth. There are thousands of acres lying idle, even in such populous states as New York and Pennsylvania which can be made to yield millions of dollars every year if planted with trees. It is pointed out that although the eastern states once possessed more than enough trees for their own use they must now import lumber from the Pacific coast, of course, at great expense.—October Boys' Life.

The business district of Glendale is now well posted with warning signs to motorists, 36 having been recently received from the Automobile Club of Southern California and put up on lamp posts. They are of two kinds, warning against parking in certain proscribed limits and against turning between crossings.

W. W. Young, wife and grandson are now full-fledged residents of Glendale, Mr. Young having just recently purchased the residence property at 1217 East Lexington Drive from S. E. Grant. The Young family are new arrivals in this city, having moved here from Hershey, Nebraska, where Mr. Young was engaged in the lumber and hardware business.

One of the invalid service boys at Thornycroft is very anxious to have his wife near him so the American Legion members are trying to secure for her a two or three-room apartment in Glendale somewhere not too far away from Thornycroft at a moderate rental. Rev. J. W. Utter of Corona, who preached at Central Christian church yesterday, spoke in glowing terms of Glendale's climate as compared with his present home. When he left Corona in the early morning the wind was blowing a gale and the dust was flying in dense clouds, but when he got to Glendale all was calm and peaceful and the only reminder of the scene he had left was the haze along the foothills, which he said he supposed was some of the Corona real estate which had been transported here by the wind.

THE CHURCH

(Continued from Page 1)
of God for the prime object of making known the gospel of salvation to all the human race. The church is Christ's own purchased possession. He bought it with His own blood. All good people are not in the church, but they ought to be, for it is in fact the source of their goodness; its influence is the greatest thing in the world.

The church through all her history has been a suffering church. Think of the long line of martyrs, from Stephen on down, whose names are an ornament to the race, their lives laid down in loyalty to Christ. We cannot live long enough to pay our debt to them. And the church has suffered through a lack of appreciation. Most of all, it has suffered through poverty. Men are able to put estimates of value on properties; not on soul values. There is no program for soul values. The church is the only institution that has a valuation of the soul. You value your bodies. The best invested money in the world is that invested for saving souls. So thinks John Wanamaker; so thought John H. Converse; so thinks Heinz of the 57 varieties, the great Sunday school man; and Stetson, the hat man, and Helen Gould Shepherd, and David and James Forgan, the great Chicago bankers, and Crowell of the Quaker Oats, and Colgate, and Lyman and Milton Stewart in Los Angeles. These began to give when they did not have fortunes. When you honor God He will bless you.

I believe in fine church building. The people had the right idea in the building of Solomon's temple; so abundant were their gifts that they had to be restrained. There is nothing too good for the worship of God. It is possible to be selfish; there are places where the house of God is poor and mean, while its members dwell in good homes.

The church has great responsibility and opportunity in developing and training young people. We pour out great wealth to train minds; what of their souls? The burden-bearing men of the present will presently have passed on; their places must be taken by those who are coming up, and a very great charge is upon us to prepare them rightly. The church has a great duty in the community as an evangelist. Its prime work is to teach men how to be saved through faith in Jesus Christ, and this must be followed by Christian education, that believers may grow in grace. Hence, we must never be satisfied with past efforts. We are thankful God permits us to do this work, continually pressing on in the name of Him who loved us and gave Himself for us.

COLLEGE STUDENTS

MANY GLENDALÉ YOUNG PEOPLE ATTENDING INSTITUTIONS OF LEARNING

That Glendale is a go-to-college city is proven by the great number of its young people attending the different colleges of the state. A few of them, of course, attend institutions in other states, but the most of them are content with those close by. Our city is particularly well situated in this respect, with Occidental, Throop, U. S. C. and U. C. Southern Branch, as well as Pomona College. Berkeley gets its share, also, and Stanford a few. But the nearness of Occidental gives that institution rather an advantage, though the Southern Branch of U. C. is not much further. Those now attending Occidental from Glendale are Misses Phyllis Baker of 331 North Maryland avenue; Etna and Vera Carver of 721 South Brand; Marian Clark of 331 North Maryland avenue; Elizabeth Edmonds of 121 South Cedar avenue; Louise Gonzales of 412 N. Louise; Mary McDill of 1451 East Wilson avenue; Frances Musser of 600 West Colorado; Zoe Thompson of 128 North Cedar; Helen Woods of 401 East Colorado and Edith Learned of 6th and Grand View avenue; Messrs. Philip Biggs of 1445 E. California Ave.; Elwood Ingledue of 411 North Central Ave.; Frank Moody of 320 North Maryland Ave.; LeRoy Shultz of 1143 San Rafael Ave.; Ben and George Sherwood of 357 West Broadway; Howard Young of 511 East Broadway and Willard Learned of Sixth and Grand View Ave.

Funeral Notice

Funeral services for Mrs. Louise Westlake will be held from the Little Church of the Flowers, Forest Lawn Cemetery, Oct. 26th, at 3 p. m. The L. G. Scovern Co. is in charge.

MUSICAL TREAT

(Continued From Page One)
Williams and Mrs. Jane Priscilla Butterfield Williams, of Los Angeles, having arrived a little late, were now duly presented to the assembly at large and accorded a cordial greeting by the president of the club, Mr. Williams delighted his hearers with several clearly enunciated and artistically rendered selections, with Mrs. Williams at the piano. These were: "Dawn" by Curran, "By the Waters of Minnetonka" by Lieurance, "The Voyager," Metcalfe; "Greatest Miracle of All," Guion. Mrs. Williams gave several numbers, among which were "Nonsense Songs" by John Barnes Wills, "The Woodpecker," Nevin, and "Will o' the Wisp," Spross.

Refreshments typifying the Arctic zone accompanied by toothsome dainties were served at the close of the musical treat, and a social good time preceded the reluctant good-nights of the guests. Among those who were present beside the charter members were Dr. H. G. and Mrs. Westphal, Mrs. W. F. Martin, Mr. and Mrs. W. B. Dart, Dr. W. W. Worcester, Miss Olive Adams, Max Hill, Misses Verna Harrower, Della Wood, and Mr. and Mrs. B. Van Tassel. Dr. W. J. and Mrs. Johnson will entertain the club at their home at the next regular monthly gathering.

OCTOBER WEDDING

JUDGE MILLER WEDS COUPLE IN OFFICE WHILE REPUBLICAN CLUB MEETS

During a meeting of the Glendale Republican Club Saturday evening at Republican Headquarters in Judge Miller's office at 114 East Broadway, Judge Miller was called upon to perform a wedding ceremony. Joseph A. Sayers of Sawtelle and Hannah C. Langford of Glendale were the happy bride and groom. They were attended by William S. Gamble of Glendale and Anna M. Gage of Burbank. Mr. and Mrs. Sayers will reside at 125 West Los Feliz Road, Glendale.

Following the ceremony the bride and groom were presented to the members of the Club, offered hearty congratulations, decorated with Harding and Coolidge buttons, and were given membership in the club.

While this was going on Mrs. Miller was regarding her husband intently. Some of those present wondered at this but all was explained when he turned over the marriage fee to her with the remark that it was her usual custom to collect these fees from him.

Distribution and Costs

The increase in freight rates is only a part of the increased costs attached to the distribution of food and other products to consumers. The freight is an important item to be placed upon the retail cost, but it can be distributed over a number of articles, thereby increasing each article in proportion.

The matter of packing merchandise for shipment is one which is causing considerable concern to producers and distributors. There was a time when apple barrels could be purchased for 30 or 40 cents each, but barrels for such use now cost on an average of \$1.50, which means about 40 cents a bushel for packing alone.

Boxes for the shipment of dry goods were once obtained at so low a price that the merchants would give them away in order to get rid of them. Such boxes are no longer obtainable, and the ones that are used are made of cheap lumber, but the cost is considerable.

Paper board is now largely used for shipping merchandise, and even in large packages it is taking the place of lumber to a large extent. This increased use of paper board has caused paper pulp to advance in price until these new packages cost much more than the pine boxes of other days.

The cost of any single article to the consumer is based upon a large number of items, each of which enters into the expense of distribution. Retailers must take all these items of service into account, for packages, paper, twine and other things which go to carry merchandise to the consumer aggregate a large sum in the business of a year.

The growing scarcity of lumber has caused a turning to paper board for the making of packages for shipment, and the paper board, being also a product of the forests, maintains a level of cost that plays an important part in the costs of distribution of a large number of articles.

The Prisoner—There goes my nat. Shall I run after it?

The Policeman—What! Run away and never come back again? You stand here and I'll run after it.

PACIFIC ELECTRIC RAILWAY

Dobbin Coming Back

(By United Press)

DETROIT, Mich., Oct. 23.—The
 next five years will see the horse
 drawn carriage, the saddle horse and
 the trucking horse on the boulevards,
 in the parks and on the highways in
 a great revival of Old Dobbin's use-
 fulness was the statement today to
 the United Press by J. C. Buckley,
 for twenty-four years a horseshoer
 of Detroit. Buckley is now "shoe-
 ing horses on paper," as editor of the
 Horseshoers Journal.

Carrying on his former business in
 one location on exclusive north
 Woodward avenue, Buckley shod the
 horses of many Detroit millionaires,
 among them Hazen S. Pingree, for-
 mer governor of Michigan; C. A.
 Newcomb of the Newcomb-Endicott
 company and Simon J. Murphy, mil-
 lionaire lumber man and owner of
 the Penobscot office building and
 many others.

Buckley bases his statement on the
 movements being forwarded by many
 states setting aside driving space
 along the boulevards and in the
 parks; on the fact that the tonnage
 of horseshoes and nails manufactur-
 ed today is greater than at any time
 in the past two or three years and on
 the introduction of legislation in
 various states to maintain shoeing
 shops where the farmers can be
 taught the trade.

The lack of driving horses on the
 highways now, Buckley said, is not
 due so much to the fact that the au-
 tomobiles replaced them, but to the
 fact that a man loving his driving
 horse would not risk driving him
 among the automobiles. There is
 also a serious shortage of men to
 shoe horses, he said, adding that the
 horse shoer, in fear that the auto
 might put him out of business en-
 tirely, has taken up other lines of
 work, such as auto repairing and
 welding. The blacksmith trade
 ranks high in wages, he said.

Speaking on the adaptability of
 the horse to the trucking business
 Buckley cited statistics that a horse
 can be used in this business at an
 expense of 13 cents a mile while car-
 rying 100 pounds of freight while the
 automobile truck expense for the
 same distance while carrying the
 same weight is 25 cents.

Although conceding that the horse
 cannot completely replace the auto
 truck, Buckley maintains it can be
 used in more classes of work and
 that the larger firms are now using
 both and that large numbers of busi-
 ness firms have already replaced
 trucks with horses.

"The next few years will see Old
 Dobbin's vindication," he said.

The gumshoe politicians do not
 help the rubber industry any that
 could be noticed.

The American chequer champion-
 ship having been settled, the next
 important thing is to elect a presi-
 dent for the next four years.
